

High Country Conservation Center & Summit County Libraries Present:

# The Seed Library

Tuesday, May 8 / 5:30pm / Buffalo Mtn. Room, Frisco Library

Did you know Summit County Libraries has a seed library? Join HC3 Board Member and expert gardener, Jenny Hammock, as she teaches you how to use the seed library, how to "check out" seeds, and how to plant them so they grow to seed. Environmental Educator, Dana Wissmiller, will be on-site to share a live participatory demonstration of planting seeds as well!
